Eric

Hi Eric,

Thanks for the heads up on this, they were in a staff meeting a short time ago and waiting for a return phone call.

Hot Breakfast will be included beginning 6/23 and I am ironing out some other details. Thanks for your patience.

If the Weston folks can send me cc info to guarantee the rooms along with their IHG rewards #'s I can make sure that they are attached.

Kevin, if anyone from Kemron wants to send me their priority club #'s as well I can make sure they are attached.

Thanks!

Hi Danny:

I forgot to point something out about the Holiday Inn on Buffalo Ave. Major internet issues. Kevin can elaborate. We were on different floors and as far as I know, nobody was able to get on Internet. I brought my laptop down to breakfast this morning and tried one last time. Same issue. The signal in and out. Visible icon with 4 bars and then gone. I brought my laptop to the front desk and demonstrated. Right away they said it was due to me being on 7th floor. Then I showed my laptop exhibiting the in and out signal. She logged it into her IT book. Which looked to have entry after entry of issues. I informed them our group is supposed to be coming back and this needs to be addressed.

Just something to consider when you speak to their reps

Thanks

Eric

Hi Eric,

Yes, have you covered at the current Holiday Inn. I am working on trying to get other hotels that will accept the govt rate over the weekends in the summer with the added amenities mentioned below.

Will keep you posted

Hi Danny:

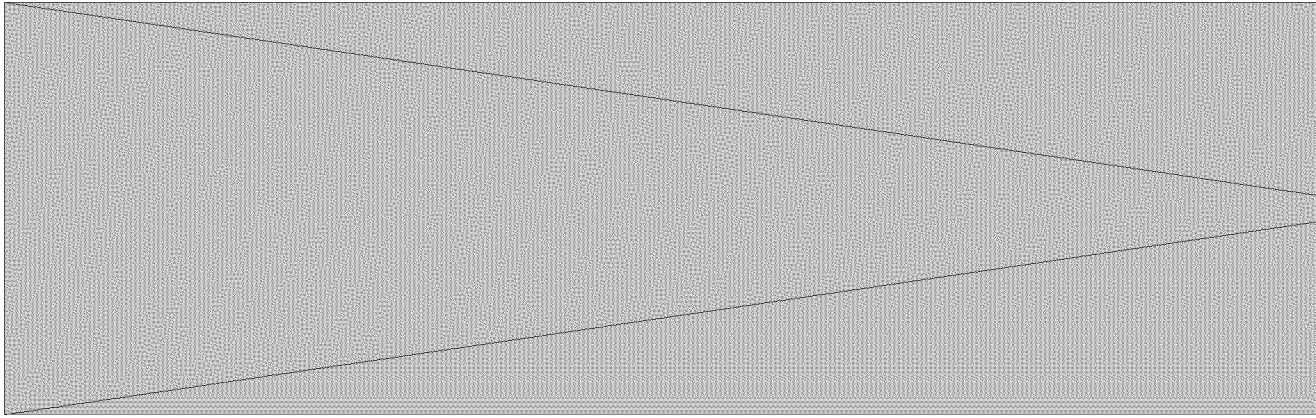

I have discussed a few things with my contract contact and the team here on site. I think what we need to focus in on now is getting lodging within Niagara County. I believe we have the Holiday Inn, Buffalo Ave hotel reserved for our group from June 23rd through July 14th. Please confirm.

If you can provide some other hotels within Niagara County in which we can get the government rate that have the availability as well as other amenities (Free parking, free breakfast, manager reception, dinner, suites, etc.), we would appreciate it.

Please note, the Lodging Rate goes up to from \$89 to 9

\$114 on July 1st.

Thanks

I think the crew is sick of staying on Buffalo Ave and we have had some complaints. For these long stays...free breakfast and happy hours help....I know one of our crew members is at Staybridge and he doesn't mind the ride. He has free parking, free breakfast...free dinner Mon through Thu and a suite

Hi Danny:

Actually, it looks like we will be working through the holiday with our current plans. I have attached our proposed schedule. NFB is our site name. We actually may come back on June 23rd instead of the 26th. We should know in a couple of days. Is that feasible?

Good Evening Danny:

I want to start the process as soon as possible for the next reservation. Our tentative schedule is from June 26-July 15th. I am not sure if Kevin set up anything already.

If we can put the same amount of people down for that date range, that would be great. As indicated earlier on the phone, if there is a way to get a choice of a couple of hotels located in Niagara Falls and a free breakfast thrown in there, that would be great.

Thanks
